Ayegba Kenneth

Phone No: +2347063707731

Email: ayegbakenneth@gmail.com

OBJECTIVE

To leverage my strong programming skills and problem-solving abilities to contribute to the success of the organization as a software developer

CORE COMPETENCIES

- Proficient in backend programming languages and frameworks such as Python (Flask), JavaScript (Node.js and Express.js), and PHP (Laravel).
- Proficient in frontend development using HTML, CSS, JavaScript and React
- Experienced in developing RESTful APIs and working with MySQL and NoSQL databases
- Familiar with software design patterns and best practices
- Strong problem-solving and critical thinking skills
- Ability to work collaboratively in a team environment
- Adept at data modeling, data analysis, and making data-driven decisions

EDUCATION

African Leadership Experience Full Stack Software Engineering Program and certification (August 2023 – September 2024)

Base University Abuja, Nigeria.

- Professional Diploma in Software engineering (Ongoing)

B.Sc. in Industrial Physics, Federal University of Agriculture, Makurdi, Nigeria (2011 - 2015)

PROJECTS AND WORK EXPERIENCE

Ignition633 Software Engineering Internship (January - March, 2025)

- Designing and building scalable web application RESTful APIs

- Implementing and providing solutions to backend architecture such as MySQL and NoSQL database systems

- Responsible for integrating frontend web applications system with the backend business logic codes.

https://github.com/ayegbakenneth

B.Sc Industrial Physics Final Year Project:

Construction of a Stepper Motor Control System using a Microcontroller (2015)
- Aimed to improve the efficiency of a stepper motor's movement
- Utilized a microcontroller to control the motor's steps and rotation

TRAINING AND CERTIFICATIONS

- Foundation of Ethical Hacking by Udacity (2025)
- Halogen School of Security Technology, Introduction to Cyber security and Ethical Hacking Training (2022 & 2024)
- IBM Skills Build Training and Certification on Python for Data Science (2022)
- Cisco Networking Academy Training and Digital Certifications on IT and Cyber security (2022)
